EDUCATION

University of Southern California (USC), Leventhal School of Accounting — Los Angeles, CA

Bachelor of Science. in Accounting; Pursuing Masters of Science in Finance | GPA: 3.6 *Class of* 2028

Marshall Scholarship Ambassador

EXPERIENCE

Wajo, Los Angeles (Remote) Oct 2026 – Present

Brand Ambassador

- Help develop Fo, Wajo's AI executive assistant, by creating weekly use-case demonstrations, relaying user feedback to the Wajo team, and managing a budget for campus events that educate students on AI productivity tools

Deloitte, Los Angeles Jun 2026 – Aug 2026

Audit Financial Statements Intern

- Executed Q2 interim procedures across two assurance engagements for private and public-company clients, including a recently IPO'd multi-million-dollar public company
- Tested client journal entries for materiality and risk indicators, documenting findings in audit workpapers to support engagement conclusions
- Produced a statement of cash flows, Excel audit schedules, tickmarks, and policy documentation using Deloitte Omnia and internal AI tools to support compliance with engagement procedures

Rosano Capital Partners, Los Angeles Jul 2025 – Aug 2025

Junior Accountant Intern

- Cleared an 8+ month reconciliation backlog across three multi-tenant properties by correcting GL discrepancies and supporting full-cycle AP/AR, cash application, and month-end financial reporting

Los Angeles Zoo, Los Angeles Feb 2025 – Jun 2025

Project Lead Consulting Intern

- Identified birding as a high-growth market opportunity through market sizing, trend analysis, and audience engagement insights (20%+ growth; 96M U.S. participants), projecting up to $3M+ in potential revenue and driving strategic recommendations

Victorioso Mezcal, Greater LA Aug 2023 – May 2025

Brand Ambassador / Marketing & Event Coordinator

- Designed and produced branded cocktail menus and marketing assets by leading recipe R&D, photography, and visual layout development (Adobe Illustrator) for partner-facing promotions
- Cultivated partnerships across 200+ restaurant venues and produced a branded activation at the DTLA Film Festival, deploying recipe-driven marketing assets to expand market presence and generate client engagement

PROJECTS

Case Practice Hub — *Founder & Developer* Oct 2026 – Present

- Built and run a consulting prep hub that readies students for Big 4 and MBB interviews with firm-specific mock cases and plain-English breakdowns of case math and finance fundamentals
- Maintain a live IPO calendar updated daily and moderate a community board that fosters peer support and motivation

USC Deloitte FanTAXtic Tax Case Competition — *Team Captain* Aug 2026 – Present

- As elected Captain of a five-member tax case competition team, direct weekly case work from strategy and research review through final presentations, serving as primary liaison to our Deloitte Tax Manager advisor and managing logistics

USC Volunteer Income Tax Assistance (VITA) — *E-Board Tax Advisor / Project Lead* Aug 2026 – Present

- Build a 20-preparer VITA sister site at Glendale Community College, coordinating student recruitment, IRS certification, faculty partnerships, training, outreach, and site operations
- Established conservative first-year targets of 275+ tax returns and $300K+ in community refunds, benchmarked at 50% of USC VITA's prior-season productivity of 972 returns and $1.1M returned to taxpayers

LEADERSHIP

Beta Alpha Psi — *Member, Mentor (BIG)* Aug 2025 – Present

- Mentor new members, providing academic, professional, and campus guidance that strengthens interpersonal skills

Chopped SC, Los Angeles — *Founder & President* Oct 2026 – Present

- Founded and branded USC's student cooking club, designing its logo, website, and social presence; launching Spring 2027 with sponsorship partnerships and chef workshops, followed by industry panels and internship pipelines in Fall 2027.

ProductSC — *Compass Member* Aug 2026 – Present

- Advise on Fortune 500 product projects for the 2026 client, Disney, applying user research, prioritization, and metrics

Spoon USC — *E-board Deputy Director of Finance* Aug 2026 – Present

- Built a 14-tab Excel finance system covering budgets, sponsorship valuation, reimbursements, and reporting

TECHNICAL SKILLS

- Agenetic AI, Advanced Excel, Web Development, QuickBooks, Yardi, Deloitte Omnia, Financial Modeling & Valuation, Financial Reporting & Analysis, Reconciliations, Budgeting & Expense Tracking, Market Research, Data Visualization

INTERESTS

- Culinary arts & mixology, gardening, graphic design, gaming, sewing & crochet, wine certification studies, learning Python
